## What does Phase 2 look like?

### Enhanced Services Centre, Bedford Health Village, 3 Kimbolton Road, Bedford. MK40 2NT

From 14th October 2024 the Goldington Road Surgery will move to the renovated Enhanced Services Centre site on Kimbolton Road, Bedford MK40 2NT.

From early November 2024 the Pemberley Avenue Surgery will move to the renovated Enhanced Services Centre site on Kimbolton Road, Bedford MK40 2NT.

Appointments will be booked in exactly the same way as now and you will be offered an

## What does it mean?

The relocation to the ESC means that patients will be seen in modern, purpose designed accommodation which provides additional capacity and continues to improve access to a range of appointments. The practice will be able to offer more specialist clinics such as cardiology, dermatology and family planning. There will be multi disciplinary clinics for conditions such as diabetes, heart failure, respiratory illnesses and coronary heart disease.

## Benefits for you the patient

Our visions and values are centred around ensuring we meet the needs of our population through a patient centred approach and via multi professional teams which will give the best outcomes.

- Improved access, expanded services and enhanced patient care.
- It will allow us to focus on prevention and early detection.
- We will be able to deliver care outside of hospitals where appropriate.
- We will be able to work in an integrated way maximising innovation.
- Reduce the need for patients to visit hospital.
