Dear patient,

For all patients registered with The De Parys Group

A procurement process was undertaken to deliver services and support the **Cauldwell Medical Centre, South Wing, Kempston Road, Bedford. MK42 9DJ.**

The De Parys Group is pleased to announce that it has been successful in taking over the delivery of primary medical care (GP services) for patients registered at Cauldwell Medical Centre. **These services will commence from 30th January 2026.**

The De Parys Group is confident that this arrangement will provide high-quality GP services that meet the needs of patients and offer long-term stability for the practice. Cauldwell Medical Centre is a well-established GP Practice and is rated “Good” by the Care Quality Commission (CQC).

During the initial transition period, there will be no change to the clinical care patients receive at Cauldwell Medical Centre. The De Parys Group is fully committed to maintaining safe, high-quality care throughout this period and will make every effort to ensure minimal disruption and a positive experience for both patients and staff.
